World of Reading

This short book series is a perfect first reading experience for Horse Club fans. Light and colourful graphic design makes these books appealing to younger audiences.

The books, focusing on friendship and love for animals, feature girl characters experiencing horse-riding adventures at Lakeside. The first two titles in the series are centred around the character of Mia, who is Hannah's younger sister. Just like the Horse Club girls, Mia is enthusiastic about horse-riding and also willing to take part in Horse Club adventures.
